

CVCD Excellence Awards

Recognized Indices of Journals 2024

This list is to be used in conjunction with the *Guidelines for CVCD Excellence Awards 2024*. It provides a reference point for those who wish to apply for CVCD Excellence Awards for Most Outstanding Senior Researcher or Most Outstanding Young Researcher in any of the fields of study listed in the *Guidelines for CVCD Excellence Awards*, and for those involved in evaluation of applications. It is meant to encourage and support researchers in publishing their findings in high quality, peer-reviewed journals.

The list comprises of two categories: (1) recognized indices of journals and published conference proceedings, and (2) a list of recognized non-indexed journals.

Category 1. Indexed journals and published conference proceedings

Journals and published conference proceedings listed in any of the following internationally accepted indices, in either Group A or Group B, are recognized for purposes of CVCD Excellence Awards.

Group A consists of journals and published conference proceedings listed in the SCImago Journal Rankings (available at www.scimagojr.com), a publicly available portal used by the National Research Council of Sri Lanka to determine Presidential Awards for Scientific Publication.

Group B consists of journals and published conference proceedings listed in any of the Indices identified in UGC Circular Nos 916 and 921:

1. Science Citation Index Expanded (SCI-E)
2. Social Science Citation Index (SSCI)
3. Arts and Humanities Citation Index (AHCI)
4. Library and Information Science Abstracts (LISA)
5. Library, Information Science and Technology Abstracts (LISTA)
6. Engineering Index

Category 2. Non-indexed journals

Group A

These are not included in Category 1 (Group A or B) but are recognized by the CVCD as non-predatory, peer-reviewed journals that are listed in Sri Lankan Journals Online (one, two or three stars) (See Annex 1).

Group B

1. Other standard local journals published in English, Sinhala, or Tamil, with an Editorial Board with eminent researchers, a blinded review process, regular publication of volumes and/or issues, and a website with publication details, but not included in Sri Lanka Journals Online.
2. Other standard foreign journals published in English or any other language, with well-defined Aims and Scope, an Editorial Board with eminent researchers, a blinded review process, regular publication of volumes and/or issues and a website with publication details.
